“Tampa Bay’s Premier Family Boating Club”

Thoughts from the Vice-Commodore, Mayda Miranda...

Hello everyone, thank-you for all your support and the great turn-out at our last general meeting. It is important for all members to attend our general meetings, first Monday of every month (7pm- till), unless there's a holiday, then the meeting is held on the following Monday. This is where you get to meet other members, prospective members, people who enjoy boating and some really great folks. If you would like to bring a guest, remember the general meeting is open to the public. Everyone is welcome to attend. If you would like to have a guest speaker, please make arrangements with Tim or myself at least a week prior to the meeting. Our general meetings are a great place to get involved and find out some exciting information.

Don't forget Wednesday nights 5-8...social opportunity let the traffic and heat die down, stop by after work. You get a little conversation, a little laughter and view our beautiful Hillsborough River. It's just a great way to relax after a long day at work. If you know someone who plays a little guitar that's interested in playing on Wednesday night - have them contact me.

Little by little we have been filling certain positions; Pete Machaloso will be spear-heading our Legal Committee, anyone interested in working with him, please contact him directly. Gary Howman has graciously offered to be the Web Master. Thank-you again gentleman. It is truly appreciated. The following key positions are still open and needed; Rental Coordinator, Property Chairman and Galley Captain. If you are interested, please contact Tim Lopez or myself.

VERY IMPORTANT DATE TO REMEMBER!!!

Our hearing for Motion for Summary Judgment has been set for Wednesday, August 13, 2008 at the courthouse on Twiggs Street. Check for definite location in the August Anchorline as our attorney Paul Antinori is trying to get a larger hearing room in anticipation of a good turnout of members for this hearing before Circuit Judge Honeywell at 1:30 o'clock p.m. If for convenience you would like to meet at the club and carpool, please call and let me know (390-2089). I know many have to work and have vacation scheduled

If you read the June Anchorline you saw The Three Amigos at Twin Dolphins, well together again at the docks of TCACC with their significant occupants, the Howmans, Taylors, Johnsons and other club members, their families and friends, a great Fourth of July was enjoyed by all. Plenty of food, friends and fireworks. No, "Firecracker Jellybean" did not arrive as due on the fourth but she/he could at any time now and the Tedders (parents), Taylors (grands) and extended family are all anxiously waiting.

Please read the attached letter from Paul Antinori to the City in response to their last proposal to the club to acquire access to the land for public use. Many of you did not renew your membership in fear that the uncertainties would leave us empty handed but rest assured that this will not be the case. We need your moral and financial support now more than ever as divided we may fall but united we will stand and succeed to be Tampa's Premier Family Boating Club.

Jean Ragsdale is out of Tampa General and recouping in a nursing home. Let us remember Jean and our boys who are away from home in our prayers for a speedy return.

Saturday, August 9th is National Marina Day and we would like to have a Boat Show that weekend. Please stay posted for additional information.

Hope to see you all at Tampa Cruise-A-Cade Club.

Deanna Johnson— Past Commodore

From the Secretary—Margo Benitez

The Howmans', the Johnson's, the Taylor's, the Tedder's, Tuckers' and Benitez's families enjoyed a day of relaxation. We BBQ'd and after, we had some fireworks to burn. Took a cruise across the channel and anchored across from Harbor Island. We anchored in pairs and watched the beautiful fireworks display. We returned to the clubhouse and burned a couple of fireworks for our finale. Thanks for a great 4th of July. Wishing our military personnel a safe return from their Tour of Duty to keep us all safe and protected from terrorists. For those who came down to the club 4th of July weekend. Thank you for your support. I hope everyone enjoyed themselves. See you all soon.
